

UW-14

Bathroom call module

Nurse Call
System

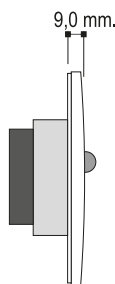

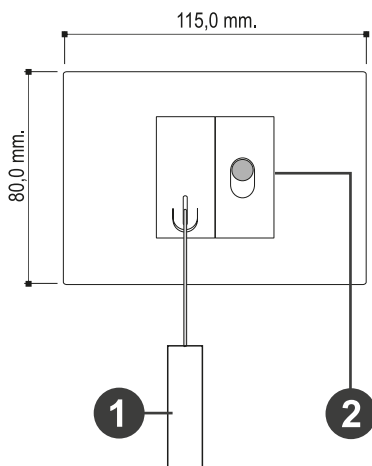

udeCOM

The UW-14 allows making a call in the bathroom / WC area.

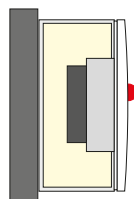

A pull cord of 1.6 meters long will activate a flashing red light in the corridor and led activity indicator in the UW-14 module. Also the central station (UC-102) will receive a bathroom / WC call.

The bathroom call module activity can only be cancelled via room substation (UC-104) presence.

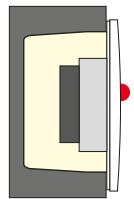

- 1 Call drawer
- 2 Bathroom call indicator
